

Building and Measuring Positive Youth Outcomes in your Program Training

Brought to you by the *BEST Initiative*

- What does success look like for your youth and programs?
- Do you want a space where you can examine how you're integrating those outcomes through intentional practice and approaches?
- In this training, participants will dig deeper into BEST's developmental outcomes by utilizing the intentional space and other youth work professional's knowledge and best practices.

One Day Training!

Date: Thursday, March 29th
9:30am-3:30 pm

Registration opens February 5th
www.youthworkcentral.org

Location: Health Resources in Action
95 Berkeley Street, Boston, MA 02116
