Youth Worker Certificate Training

Fall 2018 Training

This 32-hour training is based on the nationally recognized Advancing Youth Development curriculum. This training provides participants with a grounding in the Positive Youth Development Approach. Participants are introduced to an appropriate common language for discussing youth development, and will explore information about positive youth outcomes, healthy relationships and boundaries, cultural competence, adolescent development and other critical issues.

Dates: Tuesdays, Sept. 25th- Nov. 13th

*Time: 9:30am-2:00pm (weekly)***

Fee: \$450 pp (no scholarships)

***You must attend every week*

"I learned a lot about youth work in the BEST Initiative training, in addition to learning a lot about myself. I think one of the strongest aspects of the training was having us look at ourselves in regard to our work with youth. So many trainings just blather on about what you should do and how you should do it. Your training enabled us to stretch, think, create, and reflect...no mean feat!" – Training Participant
